

The Facebook Traffic Takeover Workshop

Day 3 Resources

1. Plugins I used for adding my Facebook group page to my blog.

Speedy Page Redirect - <https://wordpress.org/plugins/speedy-page-redirect>

Simple Page Ordering - <https://wordpress.org/plugins/simple-page-ordering>

2. Liz's Facebook Groups With Descriptions

Team Tomey Inner Circle Coaching Club – This is a free Internet marketing group that I run. I use it specifically to get traffic into my business.

<https://www.facebook.com/groups/TeamTomeyInnerCircle>

Passive Income Squad – This is a free group that I created where I talk about creating a passive income. I use it specifically to get traffic into my business where I teach about passive income. <https://www.facebook.com/groups/PassiveIncomeSquad>

McFatty Battle Warriors – This is the new group that I've created that is open to anyone interested in living a healthy happy life. I want to use this to get people into my new niche biz. <https://www.facebook.com/groups/McFattyBattleWarriors>
